

Damani Douglas

Mixed Media Creator

...specializing in video production, video editing, photography, and graphic design. Driven by an untameable drive to create, steadily adding new software and techniques to my skill set. An extroverted community builder with strong leadership and facilitation skills, armed with a fierce sense of duty and self-motivation.

Experience

Film Production Assistant - The Wilsons Co.

- Retrieve, transport, unload, & set up set design equipment.
- Create set dressing, props, & ornamentation using both paint & printing.
- Assist the director, production teams, production managers, & actors around the set.
- Assist Art Director with production needs.

Educational Video Center - Youth Documentary Workshop

Teaching Assistant - Paid Virtual Internship

- Facilitated a group of youth producers working to create a documentary about colorism and its global effects across cultures, titled, "Melanated".
- Assisted in planning and teaching of film production and cinematography techniques.
- Maintained team productivity levels across a 4-week timeline.
- Directed, shot, and edited the intro of the documentary.
- "Melanated" Accepted by BHERC Film Festival in LA.

Educational Video Center - New Media Arts

Youth Producer - Unpaid Virtual Internship

- Collaborated with peer youth producers to create an interactive documentary on how COVID-19 impacts marginalized communities, essential workers, and those in the mass incarceration system, titled, "The Pandemic: From School To Prison".
- Storyboarded, produced & edited personal reflection films to supplement the overall production.
- Learned how to use Adobe Premiere Pro and Wix website editor.
- Aided in the production of our award-winning trailer.
- Accepted into the 2020 Emoti-Con NYC Youth Digital Media & Technology Challenge.
- Won the "Point of View" Award from 2020 Emoti-Con NYC Youth Digital Media & Technology Challenge!
